The Official Newsletter of the Tennessee Division  
Sons of Confederate Veterans

Fall/October 2011

Tennessee Division,

Hope you enjoy this issue of the Forrest's Escort as this has been a very busy summer. Our division has made good steps forward working with politicians and many other groups across the state. Our future is bright for the Sesquicentennial. Let's work together and forge new partnerships to honor our Southern Ancestors – believe in your selves and know that we can achieve our goals.

- Let us grow this division by using the tools and technology we have available for **RECRUITING**. I know we can be 5,000 strong by the national convention in Murfreesboro.
- I will be conducting the second **Commanders Call** on November 12<sup>th</sup> in Columbia. Your camp should be represented with a minimum of one to two members, so let me know ASAP who will be attending as lunch will be provided. **THIS IS FOR MEMBERS ONLY!** Look for details in this publication.
- Do not forget to renew your SCV license plate. If you don't have one – please **GET ONE!** And tell your friends and neighbors about the SCV License Plate Program, **GET A TAG – SAVE A FLAG**, as this is our life blood for all division projects.
- Check out the new website ... **saveaflag.org**. This is another tool to save and preserve our flags at the Tennessee State Museum.

Respectfully,  
Mike Beck, TN Division Commander

## **Phillip Pullen Photography**

They have very generously donated these pictures for the Forrest's Escort. Phillip has a website <http://plpphoto.zenfolio.com/>. A bit of information concerning pictures taken at the Forrest Boyhood Home: if pictures are ordered that were taken at the Forrest Boyhood Home, part of the proceeds will go to the Forrest Boyhood Home. Pictures from other events can be ordered also.

The next time you see Phillip and Wes at an event, thank them for allowing us to use their pictures and making them available for the Forrest's Escort.

### ***THE DEADLINE FOR THE NEXT FORREST'S ESCORT IS December 31st***

Please email all items that need to go in the next Forrest Escort to me at [jasonboshers@charter.net](mailto:jasonboshers@charter.net). If you mail me a copy of a flyer, I will have to scan it and it might not look as well as you like as copies never look as good as the original. If you mail me a copy of a letter, I will have to retype the letter and you bring in the potential of a whole lot of errors. Please email me any correspondence. I can handle WORD, PDF, EXCEL and plain TXT files.

*Ninth Annual*  
Forrest Homecoming & Southern Heritage Festival

The ninth annual Forrest Homecoming Festival was a grand success despite losing the last hour and a half of the day's scheduled events due to a massive thunderstorm that roared through Marshall County.

A lot of the crowd headed home when the rain hit but at least the heat cooled off after the storm and the day's earlier events were presented on schedule to one of the largest crowds in the nine year history of this Sons of Confederate Veterans fundraisers for the N. B. Forrest home.

The Forrest Home Committee is always indebted to the many, many Confederate patriots who help pull all of the weekend's events together.

Starting at the front gate: O. B. Wilkerson sets up the flag display that greets the guests as they arrive, Bill Powell and Sam Williams man the front gate, Tim Morrison drives the shuttle service, Gerald Moore operates the professional sound system, Debbie Raymer, Ada Minter and Patsy Kirkland handle the food services and we need to sincerely thank all the Minters, including Lenny, our grilling "chef", and all "the young uns" for not only their hard work and long hours on homecoming day but for their help setting up during the week prior to the event.

We would have still been setting everything up two days after the event was OVER had it not been for Jason Boshers from Mt Pleasant and Jim Houghton from Albuquerque, N. M. and their work on every odd job that popped up.

What would a Forrest Homecoming be without our re-enactors? Thanks to the cavalry, the many artillery batteries and this year, thanks to the infantry for all of their crowd pleasing performances and for reminding all of us of the boys in gray who sacrificed so much for the Southland. The real Confederate soldiers are the real heroes of the weekend.

SCV member Ronnie Townes serves in the Tennessee General Assembly and contacted several members of the state senate and house of representatives inviting them to attend the Homecoming. We are always honored to have Senator Mae Beavers and Representative Steve McDaniel on the grounds since they convinced the state way back in 1966 to donate the Forrest home site and grounds to the SCV. Senators Douglas Henry, Jim Tracy and Bill Ketron also attended and were very complementary of the work done on saving the home and on the presentation of Confederate heritage.

A plaque was dedicated to the late Larry Cockerham, Past Commander of the Sam Davis Camp who passed away in January of this year but who had made numerous trips down to Chapel Hill to work on the home and barn. A certificate was also presented to Larry's widow and son who attended this year's Homecoming.

Our great friends of the Forrest home, Ross Moore, Rick Revel and The Jimalong Joseys provided us with some of our musical entertainment.

Bryan Sharp, Jerry Raymer, Rich Hamblen, Buddy Kirtland and Ross Massey again worked long and hard in the sales tent and a very special thanks to Cindy White at SCV Headquarters for all of her check writing and de-coding our accounting at the end of the day.

Thank you Elizabeth Coker for all of the years of women's programs that you have coordinated.

As anyone can see, it takes a lot of dedicated Confederates to present such an outstanding program as the Forrest Homecoming and all of their efforts are greatly appreciated. We hope to see everyone again on Saturday 16 June in 2012.

Respectfully submitted,  
Gene Andrews

# The History Of The Tennessee Division Sons Of Confederate Veterans Flag

The history of The Tennessee Division SCV flag began in 2005 when several compatriots met and forged a general idea of the flag that would represent The Tennessee Division SCV. The two design features that were deemed to be most important were the three stars from the Tennessee State Flag and the Southern Cross / Battle Flag design. Past Commander Ed Butler contacted The Ruffin Flag Company in Washington Georgia and a prototype was produced.

The current flag was first voted on and approved at the Tennessee Division reunion in Covington Tennessee in 2005. There was some confusion as to exactly how many Camps must be present at The Reunion to conduct business and a vote to approve the current flag was held and approved. This has been deemed to be merely a vote of approval and not official.

The following year's reunion, 2006 in Spencer's Mill Tennessee, had the issue of approving our flag presented to a bona fide gathering of The Tennessee Division SCV General Assembly. Our current flag, see picture/ attachment, was officially approved at this Reunion.

The Tennessee Division Sons Of Confederate Veterans proclaims again in this first year of The Sesquicentennial of The War Between The States that this flag is our Standard and Colors.

## *Get your Forrest's Escort through email*

Anyone wishing to get their Forrest's Escort through email, please contact Jason Boshers at [jasonboshers@charter.net](mailto:jasonboshers@charter.net). Receiving the Forrest Escort through email has many benefits. It will be sent to you as a PDF which is in Adobe Reader format. Adobe Reader is FREE. Any money we can save by cutting cost will help us get farther along with monuments, flag restoration and putting up large flags along busy thoroughfares.

**Financial** - It costs quite a bit of money to print and mail each issue. In future issues of the Forrest Escort, the email copies will be in color but printed copies may only have color on the first page. Color print is extremely expensive.

**Speed** - Through email you get the Escort immediately. The procedure for printing is the Escort is sent to the printer and after printing I take it to the post office for mailing. It has taken some areas of the state a week for them to get the newsletter. The general time frame from sending to the printer to in hands is 2 weeks.

**Storage Space** - Once saved to a hard drive or a backup drive, they can be recalled with just a click.

## Rebs & Yanks Return to Shiloh

The Blue-Gray Alliance of Reenactors will present the 150<sup>th</sup> anniversary Battle of Shiloh reenactment next March as part of the Civil War Sesquicentennial series. More than 6000 reenactors are expected to attend on the 2500 acres of battleground adjacent to Shiloh National Military Park, located across McNairy and Hardin Counties in southeast Tennessee. Participant registrations have already begun and reenactor artillery units with over 82 cannons have already signed up. The event, already looking to be one of the largest of the Sesquicentennial, will take place Thursday through Sunday, March 29 – April 1, 2012. Activities include a display of the replica Confederate submarine CSS Hunley, on its final tour from South Carolina. Other activities include several scripted battle scenarios each day replicating the original 1862 Battle of Shiloh, plus guest speakers, authors & book-signings, first-person impressionists, Civil War camp tours, and food and craft vendors. On Saturday night, March 31<sup>st</sup>, there will be a Grand Military Ball featuring the 52<sup>nd</sup> Regimental String Band, and on Sunday, April 1<sup>st</sup>, a period 1860's church service will be held prior to the battles of that day. Reenactor-special activities include a steam locomotive "troop train" furnished by the Union Pacific Railroad, which is their Heritage Train, traveling from Omaha, NE to Memphis, TN to bring reenactors and families to the event. For some Union units, two river steamboats have been chartered to ferry Federal troops from Savannah, TN to Shiloh NMP where they will disembark, march cross-country to the reenactment site, and troop into battle. Likewise for some Southern units, an authentic march is planned so that they can hike from Corinth, MS to the Shiloh area along the same route that the Confederate army marched 150 years ago. For spectators wishing to attend the reenactment, tickets are available on-line through the event website: [www.shilohbluegray.org](http://www.shilohbluegray.org)

The original Battle of Shiloh was fought April 6-7, 1862, and resulted in nearly 24,000 casualties on both sides. The battle was the first large 'western' battle and proved to both North and South that the War Between the States was not going to be a short war but rather a long, fierce conflict showing intense determination on both sides.

The Blue-Gray Alliance, a non-profit group, is comprised of most all of the largest national reenactor organizations which represent over 12,000 Civil War reenactors from around the country and even overseas. [www.150thcivilwarevents.com](http://www.150thcivilwarevents.com)

The Blue-Gray Shiloh reenactment is co-hosted by the local Battle of Shiloh Association and the national Sons of Confederate Veterans and is endorsed by the Tennessee Civil War Preservation Trust.

# **Army Of Tennessee Shiloh 150th Battle Re-enactment March 30th, 31st & April 1st, 2012**

I would like to invite you to our Shiloh 150th. This event is on the same site and has the same host as the highly successful Shiloh 140th and 145th. Hosted by the Army of Tennessee, a Tennessee Chartered Corporation since 1998. We dedicate this event, as we do all of our events, to the fallen soldiers that fought and died for what they believe. We strive to educate the public, preserve our proud history and to commemorate those who have fallen in battle.

Yes, there will be two Battle of Shiloh Reenactments held on the same date and only minutes apart from each other. Our event has been planned for twelve years and now there is an out of state group that is coming here in a bold attempt to take over all of the 150th Sesquicentennial events. The Army of Tennessee Civil War Re-enacting organization is staying true to our cause and have no intent of canceling any of our 150th events.

We would like to have support of both state and national SCV and UCV organizations. Any and all proceeds will go to Civil War preservation and education.

I do hope to see you at our Shiloh 150th located in the Southside Community in Hardin County seven miles from the Shiloh National Battlefield Park.

Respectfully,

Tom Doss, Cmdr AoT 931-9643700

## **Division Color Guard News and Views**

The Color Guard just participated in its first event and even though there were a few bumps in the road, it was a successful gathering. The Color Guard has been invited to participate in several ceremonies before the end of the year.

The Color Guard is always looking for new recruits to join its ranks. The Brogans of the Color Guard may look like any other normal size, but as you look closer, they are large to fill. Being serious in regards to honoring our Confederate ancestors is paramount, but having fun doing so is just as important. Just like our ancestors, we must keep a good sense of humor and wits about us while we face the serious task given us. If you think you can fill the Brogans needed to honor our Confederate heroes, come join us.

With its first event under its belt, the Guard will be hosting a School of the Color Guard in East Tennessee in the Fall. SCV members from across the Division, especially the Mountain and Vaughan Brigades who are interested in becoming a part of Color Guard are encouraged to attend. Time and location will be announced shortly. For more information please contact me at [cok43ncinf@msn.com](mailto:cok43ncinf@msn.com).

# Confederate Flag Benefit 2011

*On August 13, 2011 the Roderick, Forrest's War Horse camp 2072, SCV, held its 6th Annual Confederate Flag benefit to conserve Tennessee battle flags in the Tennessee State Museum's collection. This event was held at the Mangrum family farm behind the antebellum home that has been standing on a hill in Peytonsville since 1832.*

First we'd like to proudly report that we succeeded in raising the \$48,000 to conserve the 20th Tennessee Infantry's huge silk First National flag when the money was counted after our benefit last year. During the State's commemoration of the 150th anniversary of the WBTS in Nashville we presented the museum with a check for \$30,000, Division commander Mike Beck presented a check, made possible by the sale of Tenn. SCV car tags, for \$10,000. (BUY A TAG SAVE A FLAG!) Compatriot Brian Roehrig representing The Society of The Order of The Southern Cross presented a check for \$3,000 to complete the worthy project.

Mrs. Candace Adelson of the museum's textile department allowed \$5,000 of her discretionary funds to be used to save the old fragile battle flag when it was sent off in May 2010 to be worked on. We hope to see it back to Tennessee in the fall of 2011.

Now we have adopted the bullet riddled St. Andrew's Cross, Dalton issue cotton flag of the 1st/6th Tennessee (Wheelers) Cavalry. This group of men & boys from the Middle Tenn. area were involved in many notable chapters of the War for Southern Independence in and around Tennessee and beyond. They served under Forrest, Van Dorn, Gen. Wheeler and had the sad distinction of having the first and last man of the Army of Tenn. to be killed in battle.

We only need \$22,000 to conserve this honorable flag. Thanks again to the funds from the sale of our SCV tags we will receive another \$10,000 towards this flag. So we only needed to raise \$12,000 at our benefit. Sadly due to the barrage of weather reports predicting rain, which never materialized, we only had about 500 people in attendance. Saw a few SCV members this year but sure would like to see many more next year on August 10. However, we still cleared \$8,500 that night and have donations coming in from near & far that has pushed our funds to \$9,500 now. Only need \$2,500 to reach our goal and we are working feverishly to raise the remaining money so that we might present the museum with another check completing the fundraising for the 1st/6th flag in October during the 150th commemoration. Please help us if you can.

There are some people we need to thank for their support at this year's Flag benefit success. Compatriot Sam Goodman of S & G Custom Cycles in Columbia for allowing me to do a lot of planning and making phone calls while at work. Compatriot Jason Boshear's, Sam Watkins camp 29, with White's Battery for adding some excitement to our benefit along with donating almost \$400 to the flag from allowing people to fire the cannon. Compatriot Mike Spears & members of the Rowdan-Spears camp 2113 for taking on the daunting task of parking cars for our event. Past Commander Dr. Michael Bradley for his wonderful recital, "I Am Their Flag." Miss Jennifer Murray & many other long time friends & family who gave of their time to promote the event, work the gates, help with the auction, and much much more. We'd like to thank the Faith Riders bike group for passing out water and Gatoraid to the attendees. And we'd like to thank all 9 bands that entertained the people with music from bluegrass to Southern rock and everything in between. I'd like to mention one band in particular since one of its members is a SCV member. Many thanks to Compatriot Dave Barnett of the great rocking blues band The Dusters. We'd also like to thank Compatriot Bill Rolan of Memphis for allowing us to use the "World's Largest Battle flag" for PR purposes before the event. And we especially like to thank the people who showed up to support us with their hard earned money for this much needed project.

Now that the 150th is upon us the Roderick camp's goal is conserve a Tenn. flag every year and we can do this with help from our friends. The State Museum has several flags that needs conservation and a couple of camps have stepped up to adopt one. I hope other camps will follow suit as we need all the help we can get. If you'd like to contribute to our project please consider a tax deductible donation to Roderick camp 2072, 1114 Galloway Street, Columbia, Tenn. 38401. You may reach Ronny Mangrum at 931-374-8368 or celticgranda2@yahoo.com for more info. And mark your calendars for next year's benefit to be held on Aug 10. Join us as it is a fun filled event with a little history, lots of fun, good food, laughter, and some great music too. Ya'll come see us , ya hear?

# 2012 Smoky Mountain Relic Show & Sale

The Second Annual Smoky Mountain Civil War Relic Show & Sale is in the history books. The TN Division entered into this project with three goals to accomplish, educate our public, recruit new members and raise funds for the defense of our Cause.

Although the number of guests was down this year our first two goals were well accomplished. The Bradford - Rose Camp, #1638 recruited 5 new members and have several prospects. Division personnel prepared applications for two men to join the Camp in Tellico Plains along with one joining a Camp in New Jersey. Many stopped and asked questions about our organization and the war. These things alone made the weekend worthwhile. We will know in the next few days the amount of funds raised.

Plans have already started for next year. Returning will be Mr. Ross Moore, musician, vocalist and humorist. The National Civil War Naval Museum will also be onboard with articles from the museum. Maury's Artillery will create 'Thunder In The Forge' as they plan to bring a full battery to 'The Hill'. The 63rd TN Inf. (CS) as well as the 8th TN Inf. (US) will provide living history encampments with a few surprises. Then, if all that isn't enough Pellican Publishing will, once again, present Col. Tom McKenny, author of Jack Hinson, "One-Man War, Civil War Sniper" along with Judge Ben McFarlin, owner of Jack Hinson's rifle. Along with these fine gentlemen will be Jack Hinson's rifle and Capt. Charles Anderson's pistols. If you haven't heard the story you are in for a real treat. Books will be available for purchase and signing.

One major change for next year is the show's name. The 2012 Smoky Mountain Relic Show & Sale will continue to emphasize the War of Northern Aggression, but will encompass a larger variety of relics. From Native American to early 20th century we plan to have it all.

So, mark your calendars for August 25-26, 2012 for the Smoky Mountain Relic Show & Sale located in the Smoky Mountain Convention Center, 4010 Parkway, Pigeon Forge, TN. Show hours will be Sat. 9am-5pm and Sun. 9am-3pm. Ticket prices remain at \$8 for adults and \$4 for children 12 and under when accompanied by an adult

## PATRICK R. CLEBURNE MONUMENT

Saturday morning 10 A.M. December 10th 2011 is set by the Beech Grove Confederate Memorial Association, Benjamin F. Cheatham SCV Camp 72, Kirby-Smith #327 UDC and Town of Wartrace, TN for the dedication to Gen. Patrick R. Cleburne's Division, Skirmish at Liberty Gap. The monument will be located in Wartrace's Memorial Park just across Spring Street from Chockley's Tavern where Gen. Cleburne had a room for his divisions operational headquarters. The Park is between Spring Street and the railroad tracks where Cleburne's Staff camped from 9 Jan. 1863 until 26 June 1863 when they withdrew to Tullahoma. Thirty nine Arkansas VA markers applications have been submitted to VA along with the project. If they arrive on time we will dedicate them the same day, if not will schedule a later date.

# Highland Brigade

Commander: Michael Davis

Camps: Gen. George Gibbs Dribell #875, Savage/Goodner #1513, Gainesboro Invincibles #1685, Myers/Zollicoffer #1990, Sgt. William A Hamby #1750, Dillard/Judd #1828, Champ Ferguson/Standing Stone #2014

The Highland Brigade is doing well. We are staying very active, even with the upcoming winter months fast approaching. Christmas time is almost here, and we will be participating in several annual parades. The Jim Davis camp #1425 is currently working on a driving tour of several WBTS sites in Macon County.

The Brigade will be meeting with owners of Vanhooser/Putty home on Nov. 5th in Gainesboro, TN to discuss the purchase of this home. This home is known as the oldest home in Gainesboro, TN. It was used as a place to treat the sick, wounded, and dying after the fall back from Mill Springs according to Official Records. Because, a majority of the homes that were used during that time are no longer standing; the brigade feels it is a priority to save this home. The home is in fairly good shape, because the current owners have already invested tens of thousands of dollars; stabilizing and leveling the home. We expect to complete the project, and bring it back to its original 1800's look. The Price of the home is \$10,000. We are wanting to raise all \$ 10,000 for the purchase of the home through local businesses and members in the SCV. We have proposed the idea that 100 members could donate \$100 each. Then, the purchase would be complete, and we have already had 4 pledged to do so. However, we would love a donation of any size. We are planning to exhaust all fund raising efforts for the renovation of the home. Pictures of the home are available for viewing on the Brigade website at <http://highlandbrigade.weebly.com/> If interested in supporting this endeavor, whether individually or as a group please contact Mike Davis at [highland\\_brigade@yahoo.com](mailto:highland_brigade@yahoo.com)

## Sons of Confederate Veterans National Reunion, Montgomery Alabama, July 13th thru 16th 2011

During a hot and sometimes wet week in July in Montgomery, who would have thought that, a group of men, sons of the south, gathered to honor the memory of their brave and gallant ancestors who were willing, and often, did pay the ultimate price. A group of men, with family and friends, made the journey and joined in the honor of paying their respects.

This was my first National Reunion and I will never miss another. The sense of pride and enthusiasm that comes from such a gathering is beyond words. I wish I could express how it feels to hear a group of 400 men stand and sing "Dixie". It was also a rare opportunity to more about how National and other Divisions and Camps run and conduct their business. The lectures and talks were inspirational. The classes and social activities were educational and entertaining.

I enjoyed the camaraderie of my fellow Tennesseans and I have attached a picture of the group. I have also attached a picture of the people running the table and taking registrations for the 2012 National Reunion in Murfreesboro. A third picture is a picture of the check the Tennessee Division presented to National Headquarters for \$20,000 for the Confederate Museum that will be located at Elm Springs.

I hope to you at the National in Murfreesboro in 2012.

Jason Boshers

# Fort Donelson Brigade

Commander: Steve Settle

Camps: Isham G. Harris #109, Frank P. Gracey #225, Fort Donelson #249, Capt. W. H. McCauley #260,  
John Hunt Morgan #270, Col. Jack Moore #559, Col. Cyrus Suggs #1792

The camps of the Fort Donelson Brigade are active and doing well. The Brigade will be host to the 2012 Division Reunion to be held in April at Dover. More plans will be announced for this in the next Escort. Several of our camps will play a role in making this a great reunion.

I would like to take this space to pay a special tribute to the men of the John Hunt Morgan Camp #270 at Springfield. These men are in the process of raising the funds needed to erect a monument to the Confederate Soldiers that served from Robertson County. At a recent camp meeting they shared the design for this impressive marker, and announced that they had already raised over half of the total cost -- enough to proceed with having the stone cut. An offer was made to apply for Division funding to assist with part of the remaining cost. A few days later, I received an e-mail from Johnnie Williams, Commander of 270, stating that the Division funding was unnecessary, and that the men of the camp could raise the money on their own.

The men of Camp 270 are to be commended for their can-do attitude, and should serve as a great example to other camps that the best work can be done at the local level without need for Division or IHQ help. Congratulations and hats off the men of 270 and we look forward to seeing the monument dedicated in the near future!

## **General John C. Vaughn Camp #2089 Etowah, TN**

The camp has 3 projects we will be doing this summer and fall. Our camp will be conducting two re-dedications in the late summer and early fall.

First, sometime in August we will be re-dedicating the family cemetery of Home Guard General James T. Lane (Lanes Calvary). Our camp project is currently in progress and we have enlisted the help of our local scout troop and good progress is being made at the cemetery. It has been cleaned of a lot of fallen trees and other debris. The head stones have been cleaned and fallen ones have been stood up. When completed we will be holding a re-dedication ceremony.

Secondly, on September 10th at 10 AM the camp conducted a re-dedication of the General John C. Vaughn historical marker located across from the Court House in downtown Madisonville, TN.

Then in late September/ early October we will repair another long neglected cemetery located across a pasture and in some woods. It has been unprotected for some 50 years and is in Very bad condition and will take a lot of work. There are two Confederate soldiers buried in this cemetery. When we finish the extensive repairs, we will conduct a proper Memorial Ceremony for these men.

# Vaughan Brigade Picnic After Action Report

Compatriots, Ladies and Gentlemen:

The Tennessee Division Color Guard's inaugural event took place at the Vaughan Brigade picnic on September 24, 2011, at the Cherokee Lake Park in Morristown, TN hosted by the Bradford-Rose Camp. God was smiling upon the South and the Cause that day because the weather was perfect. Seven Flags were presented during the opening ceremony and Blessed by General Robert E. Lee (David Chaltis) who also gave the Blessing for the meal. Welcoming remarks were given by Brigade Commander Rick Morrell and Division Commander Mike Beck. After a good time of food, fun and fellowship, the Color Guard retired the Colors. After retiring of the Colors, the Guard was assembled and each of us in honor of our Confederate blood, called out our ancestor's name. I shook each Guard member's hand and thanked each member personally for being a part of the Guard for the event, and then the last order of business for the Guard was to place the flags in their cases until the next event. The members of the Color Guard were: Bill Hicks representing the Lt. Robert D Powell Camp; Bob Green, Lynn Hammond, Roy Lovin Sr, Randy Trent, Kevin Witherell, and I representing the Bradford-Rose Camp.

God Bless the South and those who offered their lives in maintenance of its Principles. Doe Vindice.

Lt Robert D. Powell #1817, Gen. John Hunt Morgan #2053, Gen Alfred E. Jackson #2159

Camp 52 is planning a State marker in downtown Bristol right on State St to mark the Confederate Hospital located there.

The Morristown camp is still leading the way with it's excellent spirit of participation and trend setting of raising funds and recruiting.

The Kingsport camp is achieving a good lot of repose with the VA in it's great donations to the homeless vets there.

The Greenville camp is planning a Morgan's murder reenactment in Sept and doing well.

The Jonesboro camp has a new meeting place and is planning for a new election for a Lt. Commander as they have had a growth spurt and now need one

The Elizabethton camp is up and back in the saddle with 8 current members and I am trying to guide them with limited council and a spirit of letting them be an autonomous unit they will be installing a monument in the downtown area within the next few months

We are planning many functions and encouraging each camp to engage in a 150th event.

*To you, Sons of Confederate Veterans, we submit THE VINDICATION OF THE CAUSE FOR WHICH WE FOUGHT; to your strength will be given the DEFENSE OF THE CONFEDERATE SOLDIER'S GOOD NAME, the guardianship of his history, the emulation of his virtues, THE PERPETUATION OF THE PRINCIPLES HE LOVED and which made him glorious and which you also cherish.
