From the Commander:

Fellow Compatriots of the Tennessee Division,

As I write this, things are in a state of disruption across our entire nation. The call for everything Confederate to be removed has been fueled by political unrest and a liberal agenda to destroy the history of our country. Everyone is tired and fed up with what has become politically correct hysteria. There is no need to revisit what has gone on outside of the state of Tennessee, you have all read about it or seen it on the news. What has happened in Tennessee are the same attacks that we have been fighting for several years, the Forrest statue in Memphis continues to be the main target and Forrest hall at MTSU is still under attack. Governor Haslam has questioned why the SCV license plate is still on the road and called for the Historical Commission to make a decision on the Forrest statue in Memphis. He has also asked the Capitol Commission to meet and discuss removing the Forrest bust from the state capitol building. Thankfully for us we do have the Tennessee Heritage Preservation act of 2016 on our side; we all need to be grateful that this was passed and for those that made it a reality. We cannot however, sit back and think that all is well. It is of utmost importance that we contact the state representatives that are on our side and thank them for the job they are doing and also contact the ones that are not on our side and let them know we are against the destruction of our Tennessee Confederate history. Write letters to the editor and engage the general public, we need everyone on our side especially non-SCV members.

The SCV, Tennessee history and General Forrest had a great victory since the Capitol Commission voted 7-5 not to move the Forrest bust from the state capitol building. Thanks to those of you that were in attendance of the meeting and 2nd Lieutenant Commander Frank Heathman for being the go to person on site. This battle was won by you, the membership, for all of the calls and emails to the legislators. This is a major win for us; Secretary of State Tre Hargett was outstanding in his response that this committee should not change something that was voted on unanimously by the legislators in 1973. Even with the victory in this battle, we must still march on; the war against our Confederate heritage will not end!

The next Tennessee Historical Commission meeting will be Friday October 13, 2017, 9:00 a.m. EDT McMinn County Living Heritage Museum 522 West Madison Ave. Athens, TN 37371. If possible, make plans to be there. Petitions for Memphis and MTSU are to be on the agenda.

There are several Camps that have started monument watches in their area; this is something that all Camps need to be doing. If you see something happening, call your local law enforcement. Take pictures if you see anything going on, but most importantly, be safe in everything you do. There have been two instances of monuments being covered in Tennessee, the Confederate statue in Murfreesboro and the Sam Davis monument on the grounds of the state capitol building. I want to ask each Camp to start a change.org on line petition and share it to the Tennessee Division Facebook page. As of this letter the one for the Murfreesboro Confederate monument has over 4,200 signatures and the one for the Franklin Confederate monument has over 3,700 signatures. The Rutherford County Mayor has said that he does not want the monument moved in Murfreesboro, however, the petition was started to get out in front of the situation.

One of our biggest problems is misinformation, please verify anything you hear or read, there needs to be a name attached as well to help confirm if a source is reliable. Please follow the chain of command, rely on your elected Officers and support the decisions that they make. Also, support each other! Our legal counsel has asked that we all just keep it quiet for a while, avoid the media and let the ones behind the scenes do what they do best. As I have said before, there is a time to be Forrest and a time to be a Coleman Scout, now is the time to be a Coleman Scout, quiet and in the shadows. There are a lot of things that go on behind the scenes that simply cannot be made public. Facebook is a good tool for sending out information, unfortunately bad as well.

I hope that each of you have an SCV license plate on your vehicle, encourage friends and family to get one as well. This is our main source of income. Remember that each Camp has to fill out a 990E file each year to keep your non-profit status with the IRS.

We will have our next DEC meeting on Saturday September 23rd 9 am at the 1st Baptist Church 210 East Main Street in Lebanon. The location has been changed in anticipation of a large crowd, we will start promptly at 9 am. If you have a funding request, please send it to your Brigade Commander. If you have an item for the agenda, send it in immediately.

In closing, thank you for being a member of the Sons of Confederate Veterans. Recruit a new member, lets grow our numbers, we are the only line of defense for our Confederate ancestors.

Deo Vindice!

From the Lt. Commander:

Compatriots,

It is again an honor to speak to you as Lt. Commander of the Tennessee Division. To say we are living in troublesome times would be a huge understatement. As you all know, our enemies have unleashed an attack at all fronts. But the one weapon we have is a mighty one, our resolve in standing up for our ancestors and our heritage.

The battles continue over General Forrest statue/grave, as well as President Jeff Davis, in Memphis, and the Stewart monument in Chattanooga. But our resolve is still strong.

I personally wish to proclaim my support and gratitude for SCV CiC, Tom strain, and TN Div. Commander, James Patterson. They, like past CiC Kelly Barrow and TN Div. Commander Mike Beck, have taken the hand they have been dealt and played it to the best of their ability. No one, and I mean NO ONE, knows the hard work all these gentlemen have done, much of it behind the scenes. Those who think otherwise do not know their facts.

My prayer daily is not just for our SCV leaders, but all our Southern family. Now more than ever, we need God’s mighty hand of guidance and protection to be on our beloved Southland. God bless and be with you all.

Your servant in the cause,
SCV/TN Div. Life Member

Proposed By-law Changes

ARTICLE III - MEMBERSHIP & DUES

Current:
Section 4 - Dues shall be due and payable to the Adjutant, Tennessee Division, \( (remove) \) no less than seven (7) days prior to the announced date of the Division Convention, in order for Camp delegates to be allowed. A roster of all paid members will accompany the payment of dues.

Change to:
Section 4 - Dues shall be payable to the Adjutant, Tennessee Division, \( (add) \) on August 1st of each year, with a 1 month grace period from August 1st through September 1st. Camps dues that are in arrears 60 days prior to the Division Convention will not have voting privileges at the Division Convention. Dues submissions postmarked after September 1st of each year are subject to a $5 late fee in addition to the annual Tennessee Division dues, SCV National dues, $5 SCV National late fee and applicable Camp dues. This extra $5 Tennessee Division fee also applies to all delinquent members wishing to reinstate. A roster of all paid members will accompany the payment of dues.

The SCV Tennessee Division operates on a fiscal year beginning August 1st of one year and going through July 31st of the following year, annual. This change brings the Tennessee Division in line with the National dues deadline and eliminates the Tennessee Division Adjutant from waiting eight months to receive Camp dues from the actual dues date.

Proposed by James G Patterson, Tennessee Division Commander

To you, Sons of Confederate Veterans, we submit the vindication of the cause for which we fought; to your strength will be given the defense of the confederate soldier’s good name, the guardianship of his history, the emulation of his virtues, the perpetuation of the principles he loved and which made him glorious and which you also cherish. Remember, it is your duty to see that the true history of the south is presented to future generations.

Brigade Report:

Mountain Brigade Report

The Mountain Brigade is composed of the Longstreet-Zollicoffer Camp # 87 in Knoxville and the N.B. Forrest Camp # 3 in Chattanooga.

Camp # 87 started the summer season with a Confederate Decoration Day service on June 3rd at the Old Gray Cemetery. Judge Advocate in Chief presented the program on the “Origins of Decoration Day” which established a worthy tradition throughout the South. During the next few months the Camp participated in the Secret City Festival, and by special invitation, lead the Bristol July 4th parade down State Street which separates Virginia and Tennessee. In August they marched in Pigeon Forge’s Veteran’s Appreciation parade.

With Confederate monument protection and identification now being emphasized, Camp # 87 found itself on the front line in Knoxville after the Battle of Fort Sanders marker was vandalized. Compatriot Rod O’Barr became a media darling on Knoxville television stations as he presented our position on history. Kudos to Rod, Bob Gentry, Sam Miller, and Bill Messamore for cleaning up the damage involved.

Other noteworthy events Camp # 87 participated in were the: SCV National reunion in Memphis, the East Tennessee History Fair, the Tennessee Historical Commission meeting at Pickwick Landing and the Tennessee Historical Commission teleconference.

Camp # 3 in Chattanooga conducted their annual Confederate Memorial Day service at the historic Chattanooga Confederate Cemetery on June 3rd. Compatriot David Scott gave a program on notable personalities who are buried in this cemetery.

The Chattanooga Confederate Cemetery has become the center of local media attention recently, as the City Mayor has called attention its ownership. In an attempt at political correctness, the Mayor has called for the removal of the City from any possible connection or relationship here. This has caused a firestorm of criticism and negative publicity for him, resulting in a much more favorable position for Camp # 3. Efforts are underway between the City of Chattanooga and the SCV to establish a trusteeship to protect the cemetery in the future.

Col. Jeffrey Forrest Brigade Report

The Jeffrey Forrest Brigade has been involved in several things through the summer months. Our camps have been actively working for the cause by recruiting new members, hosting meetings with speakers, and planning other projects. Below are a few highlighted activities of our camps.

The Bell’s Partisans Camp 1821 has added several new members in the past few months. The camp along with the Mechanized Cavalry hosted the “Tow Truck Memorial – Ride for the Flags”. This event raised several hundred dollars towards the restoration of 7th TN Cavalry Guidon Flag and the maintenance of the Parks Cemetery Ridge Mega Flag site in Trimble.

The O.F. Strahl Camp 176 in Union City has continued to have successful meetings with great speakers. The camp has also begun a restoration project of the “Unknown Confederate Soldiers Monument” in Union City. This monument was erected in 1869 and is one, if not, the first monument erected to our Confederate soldiers in the South. This project has received support from the Tennessee DEC and well as support shown from the National level.

The John B. Ingram Camp 219 and the Hill-Freeman Camp 1472 have just completed another successful recruitment booth at the Gibson County, TN fair in Trenton. This booth is always well received with many nice compliments. The booth received as 2nd Place Premium Ribbon this year.

The Pvt. Ike Stone camp continues to meet in Parker’s Crossroads and as always they are involved with the many projects at the battlefield site.

The Jeffrey Forrest and Crockett Rangers camps continue to maintain their membership and are always active in support the Confederate Cause.

Also, several of our camps sent delegates to the National Reunion in Memphis in July. A great time was had by all who attended.

Finally, I would like to say thank you to each member of the Jeffrey Forrest Brigade for your hard work and dedication to the Sons of Confederate Veterans. Let’s continue to make our ancestor’s proud.

Respectfully,
John Blankenship

Memphis Brigade Report

The Simonton-Wilcox camp of Covington, TN continues to be active and pro-community.

They are holding monthly meetings at the beautiful Covington Museum. This group of active compatriots is completing work on a new monument to those Confederates from Tipton County who served in the War Between the States. Their reenacting unit, the 1st Tennessee Artillery Co. C, held history days at Fort Pillow in cooperation with the state of Tennessee and the American Queen Steamboat line. The tourists were thrilled with the artillery demonstrations. Many commented that they had never heard “the other side of the story”. The Simonton-Wilcox Camp certainly delivered in fine fashion!

The General James Chalmers camp helped with the SCV 2017 reunion and supported the heritage fight to save Forrest and Davis statues.

The Robert E. Lee Camp was extremely active. They supported the Forrest Birthday celebration and the SCV 2017 Reunion in Memphis. Members were active outside the realm of the SCV in creating the first Tennessee Heritage Political Action Committee. The Sons of Confederate Veterans cannot endorse any political candidate or party. The PAC can educate the public and promote those candidates and groups that are dedicated to preserving American and Tennessee History contact PAC President Mark Buchanan if you want to participate at 901-570-1413

The Wigfall Greys are in the midst of fighting an effort to rename Confederate Park in the center of Collierville. We will keep you updated. These members continue to educate the public through lectures at local museums and schools. They were also active in supporting the SCV 2017 Reunion.

The N.B. Forrest Camp has been extremely active. This group, with help from other camps hosted the 2017 Sons of Confederate Veterans Annual reunion. This effort was a huge success, members from around the country commented on how wonderful the event was. Local merchants were ecstatic over the Reunion. This event brought $1,355,000.00 to the local economy! The city received a supportive letter from the SCV. Local activists petitioned the mayor to ban any events of this sort in the future. We shall see.

The Forrest Birthday celebration was a great success and very well attended.

The members of the Memphis Brigade, in association with SCV members from across Tennessee and around the world, have shown true southern integrity, honor and dedication in the face of a legion of detractors. The SCV has foiled the enemies of truth at every turn. This Band of Brothers has participated heavily in preserving our Confederate history at the local and state levels. It is an honor to be part of such a grand and noble association!

Vaughn’s Brigade Report

In addition to ALL the misguided, controversial and "Downright Maddening" societal demonstrations, riots, and monument desecrations, of the past few months, two GREAT events took place in Vaughn’s Brigade, since the last edition.

First, The Bradford/ Rose Camp #1638, Morristown/ Mossy Creek camp newsletter "Southern Heritage" was awarded "The S.A. Cunningham Award" for Best Newsletter, Camps over 50 members. Presented at the 2017 SCV National Reunion, in Memphis by CIC Tom Strain, accepted by Jason Boshers on behalf of the camp.

My heartiest congratulations to Joshua Cameron, Editor, and all the members of Camp 1638. Well deserved, Men.

Second, the Brigade Commander GOT MOVED, from one farm to another (smaller). A long story, made possible by The Lord’s Providence. We could NEVER have accomplished it without His hand on every part of the process. After losing two months, I’m getting back in the swing of things. I appreciate the patience and understanding of the Brigade Officer’s and Member’s. Thanks for your prayers.

I know this is an abbreviated version, my apologies to All.

The Fall season is upon us. Every camp has a full schedule the next couple of months. The Fall Festivals, Picnics, Grave and Marker Dedications, will keep us all busy until November. Make every effort to support your camps efforts as well as the various events sponsored by others. There is no better time to show our public support for the SCV and Heritage Events. The general public needs to be made aware of our admiration and dedication to our ancestor’s bravery, strength and history. Remember "The Charge".

H. L. Hunley Junior ROTC Award program

H.L. Hunley JROTC Award for the Tennessee Division

The Tennessee Division has grown the number of Camps that have taken part in the H.L Hunley Junior ROTC program. Thank you for your participation, but we are still far from the goal of 100% Division wide camp sponsorships. In order to further grow the program, changes have been made to make Camp participation easier.

Please note that the following changes are for the Tennessee Division only. Tennessee Division camps should use only the revised August 2017 Hunley Sponsorship form. Please see the listed instructions on the form.

1. We are no longer using the word “Application”. We are eagerly pursuing High School JROTC units to participate in the Hunley program because we want to recognize the very best of their Corp. We are honored to SPONSOR the Hunley Award at their school.

2. We are no longer waiting for schools to name recipients and dates of award ceremonies. This has been a major stumbling block to this program! Start contacting schools your camp will sponsor beginning in September. Try to mail your Hunley Sponsorships by NFL Super Bowl Sunday. This will help the Division maintain the $30.00 per award cost. If we order awards in bulk we can cut cost.

3. The award packets will be mailed to the JROTC schools starting in March. This will confirm to the JROTC units that we are participating, and they should begin their award selection process. The recipient’s certificate will be printed by the JROTC unit, and the award will be listed in the JROTC award ceremony program.

4. Other changes to the Hunley Award program include: an award packet cover letter commending the JROTC instructors for their work with youth, an insert behind the award certificate informing the recipient of the significance of the H. L. Hunley, added information on the Division web site listing JROTC units across the state, an updated program guide with more emphasis on PR, Volunteer Sponsors, and special recognition for Compatriots who represent the SCV at JROTC award ceremonies.

Thank you,
Bob Gentry, Tennessee Division, Hunley Coordinator

Bill Bolt, Hunley Award Coordinator for Camp 87, Longstreet-Zollicoffer, Knoxville, presented the Hunley Award to the Anderson County Navy JROTC. The two nearby Cadets accompanying the recipient to the stage received the award during the two previous years.

Compatriot, Martin Frost of the Camp 723, General Robert H. Hatton, Lebanon, presented the Hunley Award at Lexington High School, Henderson County

Ron Jones with Longstreet Zollicoffer Camp 87, Sons of Confederate Veterans, presented JROTC Cadet, Hunter Palmer of Central High School with The Sons of Confederate Veterans JROTC Hunley Award on May 3, 2017 at Central High School.

H. L. Hunley Junior ROTC Award Sponsorship

The H. L. Hunley Award is given by the Sons of Confederate Veterans to recognize deserving Junior ROTC cadets who have demonstrated the qualities of Honor, Courage, and Commitment to their unit. This award honors the crew of the Confederate submarine, H. L. Hunley, the first submarine to sink an enemy vessel in combat. The award is suggested for a second year cadet identified by their JROTC instructors and is presented by a member of the Sons of Confederate Veterans.
